

2 January 2024

Dear Parent / Guardian,

1. Health Promotion Board (HPB) will be conducting annual school health visit at your child’s school from **29-Jan-2024 to 2-Feb-2024**.
2. **Parents of Primary 1 and 5 students, please access the [Consent Portal](#) to update your child's medical information and provide consent** to receive the **age-appropriate immunisations** in the school. No further action is needed if this has been previously submitted and there are no updates.
3. During this visit, age-appropriate health screening and immunisation services will be provided for your child.

Educational Levels	Services
Primary 1	Vision screening (Eyesight test) Growth & development assessment Hearing screen Immunisation if required
Primary 2, 3 and 4	Vision screening (Eyesight test) Height and BMI for selected students
Primary 5	Colour vision screening Growth & development assessment Spinal screening for scoliosis [#] (only for female students) Immunisation
Primary 6	Spinal screening for scoliosis [#] (only for female students) Height and BMI for selected students

Female students will be briefed and examined with their shirt removed in private for scoliosis. The doctor or nurse will check their back for abnormal curvature while standing upright and bending forward. If further assessment is required, they will be referred to the Student Health Centre.

More information can be found in this weblink: [Student Immunisation and Screening services](#)

4. If you do not wish for your child to undergo HPB’s health screening in school, please write to [Contact YPS@hpb.gov.sg](mailto:YPS@hpb.gov.sg)

Thank you.
